Occupational Health and Safety Policy

Qatar Engineering and Construction Company WLL (Qcon) management considers, the Occupational Health and Safety of our employees, and other interested parties as fundamental to achieving business excellence.

Qcon is committed to:

1. Ensuring that Occupational, Health and Safety (OH&S) excellences are fundamental principals of Qcon business philosophy and management culture;
2. Providing processes for continually improving the Occupational, Health, Safety within all Qcon activities;
3. Applying effective OH&S management systems to minimize, with the objective of preventing; injury and occupational health hazards within the core business;
4. Maintaining compliance with State laws and regulations, working with the authorities to ensure compliance to applicable legislation;
5. Ensuring that contractors and suppliers working for Qcon commit to OH&S principals and demonstrate such commitment in their activities;
6. Recording non-conformances and incidents at all levels and to use this information to help ensure that proper and efficient work practices are established;
7. Making OH&S excellence both an individual and management responsibility;
8. Providing suitable training, a safe working environment and ensuring work activities remain within established procedures and practices;
9. Reviewing this policy for its continuing suitability for application, ensuring that it is understood by our employees, is available to interested parties and the public.
